Allocation reflects your current election. Rebalancing happens automatically on the plan schedule.

Vesting and access

You are fully vested in both your own contributions and the employer match. Withdrawals before retirement age may carry taxes and penalties. Loans against the balance are allowed under plan rules but are not recommended as a routine source of cash.

Looking ahead

At the current contribution rate and a steady market, the account stays on track for the retirement timeline you set. For questions on the pension that pairs with this account, contact the plan administrator at the shop. This statement covers the defined contribution account only.
