Year total	5,820.00	7,980.00	13,800.00

Escrow note

This loan does not escrow for taxes and insurance. The borrower pays county property taxes and homeowner insurance directly. Keep proof of paid taxes and active insurance on file, as the loan terms require both to be kept current.

Term remaining

As of this statement, eighteen years remain on the loan at the current payment. Paying additional principal reduces the term and total interest. There is no prepayment penalty on this loan.

Amortization outlook

Year	Approx interest	Approx principal	Approx ending balance
Current year	5,820.00	7,980.00	152,220.00
Next year	5,520.00	8,280.00	143,940.00
Following year	5,205.00	8,595.00	135,345.00

Figures for future years are estimates and assume payments stay on the current schedule with no extra principal.

Contact and disputes

If any figure on this statement looks wrong, contact the loan servicing line during business hours with the loan number ready. Written disputes should be mailed to the servicing address on your monthly statement and will be answered in writing.

Tax document reminder

A separate year end interest statement for tax filing was issued under the same loan number. Use that document, not this summary, when filing. This page is a plain language overview for the borrower.
