Status	In force, requirements satisfied

Association coverage and gaps

The Folsom Boulevard Townhomes association maintains a master policy covering the building shell and common areas. This unitowners policy covers interior betterments, personal property, personal liability, and assessments the association may levy against unit owners after a covered loss. Review the association master policy each year at renewal, because a change in the master deductible increases the loss assessment exposure carried here.

Claims history

Date	Type	Description	Paid	Status
03/2024	Comprehensive	Windshield chip repair, auto policy	\$0.00	Closed
—	Property	No property claim in the experience period	—	—
—	Liability	No liability claim in the experience period	—	—

Endorsements attached

Form	Title	Effect
FE-3650	Ordinance or law coverage	Adds 10% of Coverage A for code upgrade after a covered loss
FE-5452	Water backup and sump overflow	Adds the \$15,000 limit shown above
FE-8724	Identity restoration	Adds expense reimbursement and case management
HO-176	Loss assessment increase	Raises the association assessment limit to \$50,000
FE-1204	Home computer coverage	Extends Coverage B for the home office workstation

Payment and renewal

Billing method	Annual, paid in full
Next renewal	January 1, 2027
Renewal notice	Mailed 45 days before the period ends
Mortgagee on file	Chase Home Lending, loan ending 5530
Budget note	The personal budget sheet does not carry a separate homeowners line; this premium is paid annually and sits outside the monthly categories.

This is a summary of coverage. The policy contract and endorsements govern. Premium is payable annually and is not affected by a change in employment status. Notify the agent of any change in occupancy, including any period the unit will be vacant for more than 30 consecutive days.
